## EDUCATIONAL BACKGROUND:

- **Associate Degree in network systems administration - college of technology at qatif.**  
sep 2017 - jan 2020

## WORK EXPERIENCE:

- **Co-Op Qatif Central Hospital**  
jun 2019 - jul 2019

Among several projects, the biggest project I was involved in during my training assignment at Qatif Central Hospital was design, implementation and maintenance .

we designed and implement 3 blood testing labs, Physical therapy, and birth section.

we changed 20 DELL PC's to HP for the whole building. we connected the printers to the network so all PC'S can connect to it.

## PROFESSIONAL CERTIFICATION:
