### SCHLUMBERGER

#### Field Specialist (Bit Runner)

A one year experience at BDT ( Bits & Drilling Tools ) department. It depends on controlling rate of penetration by following a roadmap that Aramco agreed on to which we can achieve safe drilling to avoid pulling out the tools to change them. Worked on different sizes of PDC and Roller Cone Bits from 34" to 5 7/8" bits. Changing nozzles upon requests and measuring the bit dimensions before run in hole in case of twist off situation. Dealing with vibration situations such as axial, torsional and lateral vibration. Got many records in a short of time, this will not happen if there wasn't a good team supporting you because it is teamwork after all.

Courses:

- 1- NEST ( New Employee Safety Training )
- 2- SIPP ( Schlumberger Injury Prevention Program )
- 3- BDT ( Bits & Drilling Tools )
- 4- H2S Training ( Valid to Nov of 2021 )
