Objective

I'm a fresh graduate who have high motivation, curiosity and ambitions to prove himself in his next job and to be a key player in his organization.
I'm looking forward to apply the knowledge that I have gained as a Computer Programming graduate, the aspects that I have worked on during my study in Institute of Public Administration and also during my self-learning to build my career by working hard to achieve my future goals and dreams.

Education

Associate degree in Computer Programming - 2020
Institute of Public Administration, Riyadh (4.82 out of 5)
