Care

Training | Attention Company

I got a six-month training in this company and gained experience managing accounts and launching advertising campaigns, understanding social media clients, and ways to retain clients and attract new clients to accounts.

Sales & Marketing | KIAORA Café & Roastery

I worked at KIAORA Café & Roastery for two years, gaining experience in customer retention, place loyalty, sales and marketing, and customer persuasion.

HR | Rewaa volunteer

I worked as human resources in the Rawaa volunteer team for three years, gained experience in the field of office and email programs, and reviewed the productivity of all volunteers.

Public relations | Muntaha Volunteer

I worked in public relations for the Muntaha volunteer team for two years. I gained experience attracting sponsors and creating opportunities from scratch, and the great thing I learned is how to be a leader.
