Jawad Alshehri

I am 21 years old, freshly graduated from King Saud University with a Communication and Computer Network major. I do believe in my strength, and that is why I am looking for a job, to face challenges, to learn from people, and to know more about what it means to work with a group of people out of classes and labs.

Education and Qualifications

Communication and Computer Network

Sep 2019 - Jun 2022

King Saud university, Riyadh
