PROFILE

I am a hard working flexible and reliable person, who learns quickly and willing to undertake any task given me. I enjoy meeting people and work well as part of a team, as well as the ability to work on my own initiative and take responsibility. I have a professional approach to the workplace and am committed to training and development to help me fulfil my job role

EDUCATION

BACHELOR'S DEGREE OF ENGLISH

King Faisal university

- 30 Jan 2017

DIPLOMA DEGREE OF NETWORK OPERATIONS

Saudi electricity institute

- 8 Aug 2011

EXPERIENCE

NETWORK OPERATOR

17 Sep 2011 - 18 Mar 2023

SAUDI ELECTRICITY COMPANY

- During this period, I was promoted to more than one job. I worked for several years as a 13.8 kV network operator, then I became a dispatcher for a HV control center. After all, I was able to work as a project planner and scheduler. I have mastered the management and scheduling of all shutdowns and operating programs and the design of switching orders.

MECHANICAL TECHNICIAN

17 Jun 2008 - 17 Jul 2009

AL-KHORAYEF PETROLEUM COMPANY

- In this short period, I learned the principles of mechanics, electricity and the importance of working within one team in petroleum factories.

SKILLS

- MICROSOFT OFFICE
