## EDUCATION

### Aircraft Avionics

International Aviation Technical College

09/2017 – 05/2019

Riyadh, SA

### Electrical Engineering

South Dakota State University

01/2014 – 08/2016

Brookings, SD

### English As a Second Language

English Language First School

05/2010 – 02/2012

Santa Barbara, CA

## WORK

### Aviation Maintenance Engineering/Avionics

BAE Systems

08/2019 – Present

Riyadh, Saudi Arabia

*Achievements/Tasks*

- Aircraft Ground Equipment (AGE) course.

## ORGANIZATIONS

Saudi Students Club in Miami, Florida State  
(10/2010 – 01/2012)

*Member*

Saudi Students Club in South Dakota State  
(01/2014 – 08/2016)

*Member*

College Student Councillor (01/2018 – 05/2019)

*president*

Saudi Aviation Club (01/2019 – Present)

*Member*

## SKILLS

Communication

Teamwork

Adaptability

Problem-Solving

Creativity

Work Ethic

Interpersonal Skills

Time Management

Technical abilities

Versatility

Physical ability.

Aircraft Avionics

Aerodynamics

Gas turbine and piston powerplants

Materials science

## PERSONAL PROJECTS

The beginning of Unmanned aircraft Vehicles  
(03/2018 – 03/2018)

- Explaining UAVs: Background, Present and Future.

## CERTIFICATES

Aircraft Avionics (09/2017 – 05/2019)

*EASA B2 - Specialized in Avionics. 4.76/5 GPA*

Certificate of Excellence (09/2017 – 05/2019)

*First student of the college award who graduated with meeting all high academic requirements.*

Training of Trainers (TOT) (09/2019 – Present)

*(TOT) is a high level professional learning process for qualified trainers who will be providing training and capacity-building assistance.*

IELTS (11/2018 – Present)

*Over all: 5.5*

## LANGUAGES

Arabic

*Native or Bilingual Proficiency*

English
