Riyadh Saudi Arabia

**Functional objective** ambitious, passionate, sense of indulgence, motivation, hard work and diligence to deliver the best performance. I also look forward to getting career opportunities that allow me to develop my scientific and practical skills for the benefit of the facility, self-development, national service and the architecture of the Earth

**my letter** Always do your best. What you grow today, you harvest tomorrow, I seek to achieve a better level from a practical, balanced perspective.
